28 <sup>th</sup> July -	Leitham, Morgan + Beth Davies	Wendy + Lisa
11 <sup>th</sup> August 2008	Jilly, Joe + Rachel Sheffield	England

The first Sheffield + Davies holiday has been a special one:

'Casa Montaña' has been such an exciting and pleasant venue for our family retreat. It has provided us with a base for fun, laughter, play + relaxation.

The bbq area, seating + pool have proved to be great. Morgan, Beth + Joseph have virtually lived in the pool when we are 'home'. God bless, top-notch connectivity + and lots of space have really added to this already gorgeous villa.

It's taken a while to really kick our way around + only on the last 2 nights did we actually find the pool light + have to adjust the time!

The security + affection of Mami + Conchita has been super - all of our children want to take them home - and we will especially miss Conchita's snuggles!

It'd be such a shame if you won't have us + we will take away many fond memories! 😊

Top recommendations: 'No Patis' 'Micasma' (for food)  
 get back, then + visit breakfast in the Marina next time.  
 Don't go to Playa on a Sunday!

I don't panic in the getting, lived away with the front of or you've got changed!  
 How about a hot-tub or Jacuzzi??
